

Subscription Activation Form

The subscription activation form allows you to specify the IONODES Video Cloud subscription activation information for your project. Filling out this form and providing it with your purchase order will allow us to pre-activate your product's cloud subscription, making sure the product is ready to be used with the IONODES Video Cloud upon installation, thus saving you time.

Providing this form is not mandatory, you can always fill out and submit your cloud subscription activation request directly through the product's Quick Setup Wizard or web interface once you receive and install it.

As a reseller or system integrator, you need to be registered under the IONODES Solutions Partner Program (SPP) in order to be eligible to resell the IONODES Video Cloud and associated products. Applying as **SPP Premier** provides you with your unique **Reseller ID**, allowing you to generate recurring revenue, as well as your own branding in our mobile apps. Membership is free and provides you with many other advantages that will help you win more business. For information on the program or to apply please visit: <https://www.ionodes.com/spp>.

- Reseller ID (optional): this is the ID which IONODES may have assigned to you as an approved reseller. If you do not have an ID, please leave it blank.

- Reseller contact: information of the person in your organization we should reach out to if needed.

Name: _____

Email: _____

Phone: _____

- Purchase order number: number of your PO containing the cloud subscription(s) you wish to activate.

- Cloud account: information needed to create the end user cloud account that will be used to access live video and manage camera recording. This account would normally be used by your end customer.
